ENZIAN

What is Enzian?

Surrounded by weeping oaks, a bubbling fountain, and a beautiful courtyard, Enzian is a unique movie-going experience. As Central Florida's only full-time, not-for-profit alternative cinema, Enzian exists to entertain, inspire, educate, and connect the community through film. Enzian, the area's only indie movie theater features comfy seating and a full-service bar and grill. You can order a snack and craft beer from the comfort of your chair. Or stop by the outdoor dining area between films to sip a cocktail under the shade of stately oak trees.

For more than 30 years, Enzian has championed the belief that "**Film Is Art.**" Along with first-run independent features, Enzian offers a variety of special events, such the nationally-recognized Florida Film Festival.

"Enzian is a window to a world of expanding respect, wisdom, and creativity."

OUR HISTORY

Founded by Tina Tiedtke and the Tiedtke family in 1985, Enzian began as a repertory house offering six to 12 classic films each week as well as the occasional live show (musician Philip Glass was one of the most notable bookings on Enzian's stage). By 1989 Enzian had refocused and moved into the then-risky field of showing first-run independent features. Enzian was alone in the community in booking such

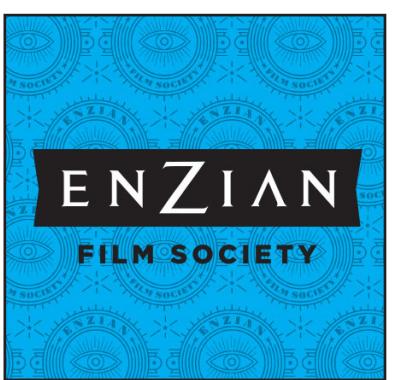

films, but this bold transformation was a success.

With strong support from regional film-lovers, Enzian now often reports the highest grosses in Florida for many art house releases. Adventurous programming, and a willingness to book self-distributed films, has garnered Enzian a national reputation as a trendsetting venue. Time and time again, Enzian has proven that even in a community as mainstream as Orlando, there is an audience hungry for new voices in independent film.

POPcorn FLICKS IN THE PARK

The City of Winter Park and Enzian Collaborate to Produce a Cinema Series in Winter Park.

Our Popcorn Flicks in the Park series features classic films for the whole family. These films are usually held on the second Thursday of each month in Central Park, Winter Park. They are **FREE** and open to the public! We encourage you to bring a blanket, a picnic or snacks, and some family and friends and join us! Popcorn Flicks are typically scheduled at 7PM or 8PM, but may not start until sunset to provide an optimal viewing experience for our guests.

These outdoor screenings are dependent upon Florida's famously unpredictable weather conditions. We may wait until 30 minutes prior to the set screening time to officially post a cancellation notice; which will be posted on our Facebook. You may also call Enzian's Box Office at 407-629-1088 x230 for more information. Thank you for your understanding and if your screening is rained out – keep an eye out for a rain date!

THE FLORIDA FILM FESTIVAL

Three Decades of Film Festing

Now in its 32nd year, the Florida Film Festival is an Oscar®-qualifying festival, premiering the best in current, independent, and international cinema. Through 10 days of 160+ films, movie lovers get to experience incredible films at Enzian Theater and around Central Florida.

The Florida Film Festival has something for every type of cinephile, from documentary devotees to animation aficionados. The festival always features a mix of short and feature films in all genres. After midnight, the FFF takes a turn for the terrifying for the festival's horror series.

The quality of films shown at the FFF makes it outshine most film festivals and filmmakers know that the FFF can put them on the road to stardom. For short films to be considered for an Academy Award, they need to be screened at an Oscar-qualifying festival. Of the thousands of film festivals in the United States, fewer than 40 have this designation. And only one of these festivals takes place in the Sunshine State. Can you guess which one?

William Shatner

Sam Rockwell

Billy Crudup

Richard Dreyfuss

And that's not where the star power stops. While many movie stars have attended to participate in Q&As, others have just come to enjoy some great films. Past attendees have included Glenn Close, Susan Sarandon, Christopher Walken, Steve Buscemi, Emma Stone, and Tippi Hedren.

Additional Film Festivals

Enzian is proud to partner with The Winter Park Library, The Roth Jewish Community Center of Greater Orlando, the Asian Cultural Association and others to celebrate the diverse cultures, perspectives and experiences facing all of us in our everyday lives through our shared enjoyment of film.

Enzian also offers various youth camps and events to help teach and garner appreciation of film and filmmaking for our future generation. See below for list of programs available.

In an effort towards art education and visual literacy, Enzian is proud to join forces with Winter Park Library for **The Reel Short Teen Film Festival**, which encourages students grade 8-12 to enter short films for competition, individually or in groups.

At our **KidFest Young Filmmakers' Summer Camp**, students entering grades 5-9, can create their own movie and experience the art of filmmaking by studying cinematic techniques, learning about the exciting history of filmmaking, and diving into the production of an independent film. After wrapping the shoot, they can see their work projected on the big screen with their fellow filmmakers, family, and friends.

The **Central Florida Jewish Film Festival** is a cinematic celebration of Jewish life, culture, and history. Using the power of film to inform, educate, and most of all entertain, the festival challenges conventional perspectives on issues facing all of us.

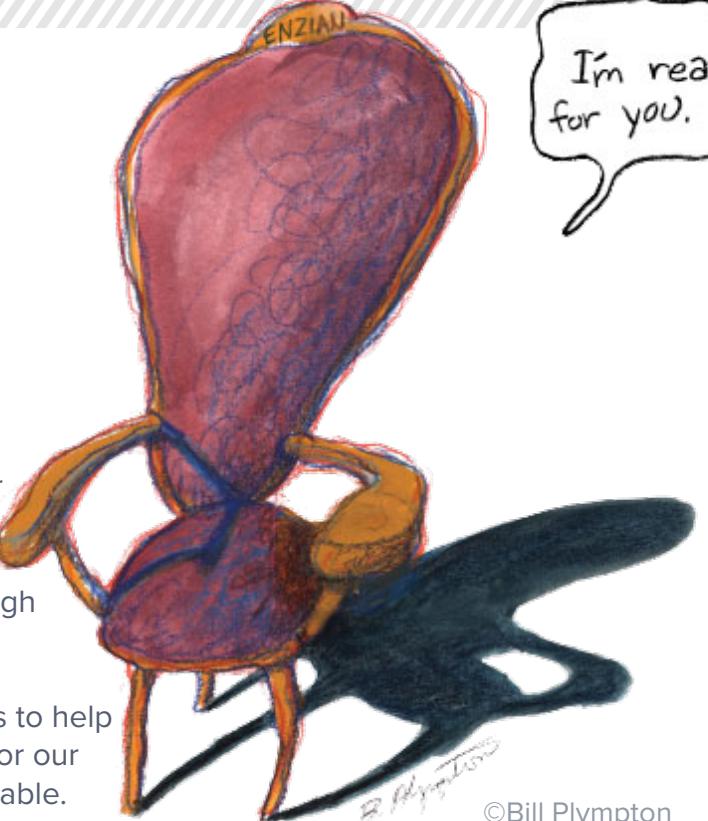

The **Brouaha Film & Video Showcase** is one of the premier outlets for locally produced films and videos, representing the entire spectrum of Florida's immense talent pool. The Audience Award winner and the Grand Jury Award winner will be considered for the Florida Film Festival's New Florida Shorts Program the following year.

The 27th Annual **South Asian Film Festival** showcases diverse images of the Indian subcontinent, its culture, and heritage through acclaimed independent films from across the globe. This program is part of Enzian Theater's cultural festival circuit.

The **Reel Representation: Diversity in Film** is a part of our mission to expand respect, wisdom, and creativity by connecting the community through film. We are proud to celebrate the diversity and inclusion of independent cinema and different experiences and perspectives in our everyday lives.
